Golden monkey is one of the animals in danger. Most of them live in the southwest (西南部) of China. They are very cute with golden hair. Their tails are almost (几乎) as long as their bodies. Golden monkeys live in forests or mountains with their families. They love eating leaves, flowers and fruits. Sometimes, they eat eggs of birds.

People cut trees, so there is no quiet place for golden monkeys to live. And people kill them for their beautiful fur and the meat. Now, they are in great danger. Let's join in to help them.

1. Which picture is "golden monkey"?

[A]

[B]

[C]

2. Golden monkeys don't eat _____.

[A] fruits

[B] birds

[C] eggs of birds

3. People kill golden monkeys for the meat and their _____.

[A] horns

[B] eggs

[C] fur

4. Golden monkeys live in the _____ of China.

[A] south

[B] west

[C] southwest

5. Which is "Not True"?

[A] Golden monkeys live in forests or mountains.

[B] Golden monkeys have short tails.

[C] Golden monkeys are very cute.

6. We must help golden monkeys, because _____.

[A] they are in great danger.

[B] they are very cute with golden hair.

[C] they live in China.
